

Geography

Degree Type
B.A.

Objective: To provide a broad-based background for students planning careers in public service or advanced study in geography.

The senior project is fulfilled by completion of an independent study (460).

Students planning to pursue graduate study are encouraged to take Statistics 161, 162, or 163.

Students also choose a minor in another discipline or a contextual and support area of six courses, selected in consultation with the faculty advisor and approved by the department chair.
