

Campus Activities

Emory & Henry sanctions many organizations and activities for students. The governing/supervisory body to all such groups is the Student Government. Campus groups include performing groups, Greek organizations, honorary societies, and many others. Students interested in any of these groups may contact the President or Advisor listed in each section, or you may contact the Student Government for further information. Guidelines for creating a new organization can be found on page 99.

Any college organization engaged in a money-making project on campus must clear the project with the Dean of Students. College organizations soliciting funds or advertisements from persons and/or businesses off campus may do so only with the written approval of the Dean of Students, in conjunction with the Office of Institutional Advancement.

Please note that activities must benefit the college community in a way that is consistent with the College's educational mission. In addition, if a fundraiser activity is being conducted to benefit an outside agency, the organization must submit a letter of approval from that agency prior to the activity being approved and scheduled. Request forms should be submitted for approval to the Dean of Students Office at least seven working days prior to the desired event.

For more information and forms concerning forming a new organization, planning fundraising events, and planning general events, please contact Christina Davis at cdavis@ehc.edu

The President is assisted by a group of cabinet officers, charged with administering one of the six principal departments of Student Government. These include the Office on Judicial/Honor Affairs, the Office of the Student Body Treasurer, the Office of the Elections Commissioner, the Office of the Student Government Public Relations, Office of Administrative Affairs, and the Office of Campus Activities. All students have access to the decision-making process through the election of representatives to the Senate and in the Presidential election, which elects both the Student Body President and Vice President. Students are also represented by Student Government on most faculty committees and on the Board of Trustees.

The Student Government Constitution and other important documents can be found elsewhere in this handbook.
