

# Student Records

Enrollment at the university constitutes student permission to distribute information to advisors and university offices when needed for academic advisement, for verification of academic standing, and for eligibility for honors, awards, scholarships, and participation in sports and activities. Emory & Henry provides for the confidentiality of student education records in accordance with the General Education Provisions Act, Title IV, Public Law 90-247 (or as amended) and under the Family Educational Rights and Privacy Act, as amended. An education record is defined as any and all student records maintained by the institution. Following is a partial list of records maintained in university offices and the officers responsible for each. A complete listing of all educational, directory, and other records is provided in the Student Handbook.

**Academic records and transcripts** - Registrar

**Academic progress reports** - Faculty advisors and Registrar

**Correspondence on judicial proceedings** - Dean of Students

**Placement folders** (must be compiled by student) - Director of Career Services

**Financial aid records** - Director of Financial Aid

**General financial records** (including student accounts) - Business and Finance Office

Current students needing to change their name, or update a permanent or mailing address, may do so by completing a Name/Address Change Form and submitting it to the Registrar's Office. The form can be picked up in the Registrar's Office. (Note: If submitting a name change, supporting documentation must be attached to the form, i.e., driver's license, passport, or social security card.)
