

Chemistry - Applied Health Sciences (B.A.)

Objective: To prepare students for admission to pharmacy programs and careers in pharmacy.

Students must apply for admission to this track. See the Chemistry Department Chair for more information.

Because this program is demanding and accelerated, students are required to maintain a GPA of 3.3 at the end of each academic year.

Satisfactory performance on departmental assessment exams given in the final semester at Emory & Henry is also required.

Program: Chemistry

Type: B.A.
