

Geography - Social Sciences (B.A.)

Objective: To enroll in an interdisciplinary and integrated program of study through a combination of courses.

Requirements: Majors are required to complete at least 48 semester hours of coursework in the social sciences. At least half of the courses' content must deal with American history, economy, government, geography, and emphasis on comparative and international studies, as well as on philosophical and conceptual dimensions of the social sciences. This program has been designed to prepare students for graduate school, law school, and other areas of employment.

Students planning to pursue graduate study are encouraged to take Statistics 161 or 162.

The college computer proficiency requirement is met by Computer Information Management 140.

Program: Geography & Earth & Environmental Sciences

Type: B.A.
